

ILLINOIS ENVIRONMENTAL PROTECTION AGENCY

MEMORANDUM

158154

DATE: January 21, 1987 *88*
TO: Sauget Sites - Review Team
FROM: Jeff Larson *JL*
SUBJECT: L1630200005-St. Clair Co.
Sauget/Sauget Sites
Superfund/General Correspondence

The Sauget Sites (Draft) Remedial Investigation is expected to be distributed for review by IEPA personnel on February 3rd, 1988. With this notification it is hoped all reviewing staff can adjust present and expected work loads for an expeditious review. Comments are expected in a three week review period and will be followed by a team meeting (to be scheduled). Thank you for your participation.
